Alimentos SAS S.A.S and Dream Foods Caribe S.A.S are dedicated to the production of fruit-based foods that stand out for their high nutritional value, ease of consumption, natural profile, and the highest standards of quality and food safety in the market.

We are committed to delivering sustainable and profitable products that maintain a fair price-to-value ratio. This is achieved through the use of appropriate raw materials and the implementation of proper production, storage, and distribution practices, ensuring the preservation of product standards throughout the entire value chain.

Our operations are conducted in strict compliance with applicable legal requirements and client agreements, as well as the guidelines established by our management system. These objectives are supported by effective internal and external communication processes and a team of competent, well-trained personnel.

We are committed to ensuring the safety of individuals by applying preventive measures and comprehensive risk analysis across all processes. Furthermore, we safeguard our business operations against risks associated with corruption, money laundering, and other illicit activities. Our continuous improvement approach ensures the ongoing enhancement of our processes, guaranteeing product quality and safety while promoting environmental protection.
